

## Ultra Series Wall Mount CPU Holders

*The Ultra CPU series of computer mounts are the ideal solution for safely attaching your CPU unit to the desk or wall (virtually any vertical surface).*

*This medical grade mount suspends your CPU unit off the floor reducing the potential of damage via static shock, moisture and dust - all helping to extend the life of your computer. For maintenance, a hole key wall plate is provided so that the unit can be safely and easily removed from the desk or wall.*

*Ultra CPU holders are available in sizes to suit most tower and desktop style CPUs on the market and come fully assembled for quick and easy installation.*
