The ErgoMounts Ultra 180 Laptop Wall Mount is the ideal medical grade mounting solution for when equipment needs to be portable but also have an ergonomic base of operations. This mount is not only in use by a number of leading NHS Trust’s but is also often retrofitted onto machinery for the manufacturing and industrial sectors. This mount offers +/-180° of swivel around the wall mount and the tray can then swivel a further 90° independently. The laptop tray measures 33cm wide by 28cm deep. When not in use the tray can be folded up for storage. This product is made of out billet Aluminium and is powder coated to produce a durable, lasting finish.

Manufactured to order...

All of our Medical Grade Mounting Solutions are manufactured to order by our partners in the United States. These are then air freighted to us before being hand inspected and assembled by our talented team of technicians at our headquarters in Hampshire, United Kingdom. This allows us to offer 100’s of combinations on our products as well as bespoke design but at a much shorter lead time to our competitors who often rely on Far East manufacturing.
