- Medical grade solution.
- Supports Monitors up to 13.6Kg.
- Highly adjustable.
- Billet Aluminium construction.
- Can be cleaned with “Hospital Grade” solutions (10,000 parts bleach per 1,000,000).

The ErgoMounts Ultra 180 Monitor Arm Desk Mount is an innovative solution to modern medical grade, sit-stand workstations. With a weight capacity of 13.6Kg this mount can easily hold most modern LED or LCD Monitors. In terms of movement the Ultra 180 can swivel the monitor through 360° and tilt the screen up to 90°. The monitor is held close to the mounting arm. The height of the screen can be adjusted along the 4” (102mm) stainless steel rails mounted to the top joint.

The Ultra 180 Desk Mount is compatible with all VESA 75mm x 75mm, VESA 100mm x 100mm screens weighing up to 12.7Kgs.

This product can be wiped clean with hospital grade solutions (10,000 parts bleach per 1,000,000) making them also ideal for areas where they are going to be exposed to large amounts of dirt and dust such as workshops or production lines.

Manufactured to order...

All of our Medical Grade Mounting Solutions are manufactured to order by our partners in the United States. These are then air freighted to us before being hand inspected and assembled by our talented team of technicians at our headquarters in Hampshire, United Kingdom. This allows us to offer 100's of combinations on our products as well as bespoke design but at a much shorter lead time to our competitors who often rely on Far East manufacturing.
