

## VisionPro F1500X Series Multiple LCD Floor Stand

The ErgoMounts VisionPro F1500X series is the ultimate future proof range of multiple lcd mounting solutions. Solid designs combine with flexible configurations - supporting your needs today as well as tomorrow.

Free standing solutions are ideal for exhibitions, reception areas, P.O.S. and make dramatic graphical statements. Multiple horizontal configurations allow outer monitors to tilt up to 15°. The heavy duty base securely bolts to the floor when extra stability is required.

- Modular series of multiple monitor supports capable of holding up to 9 LCD monitors on a single free standing base.
- All configurations include a 1.8 metre tall chrome pole and base.
- Base bolts to the floor for additional stability.
- Supports monitors up to 550mm wide, equivalent to 22" wide screen LCD monitor.
- Monitors can be mounted in portrait or landscape orientation (min/max width dependent).
- Hollow pole allows for internal cable management (max 3 x power and 3 x SVGA cables).
- Supports 2,3,4,6,8 or 9 LCD monitors.
- Supplied with 75mm x 75mm and 100mm x 100mm VESA interface plates.
- Supports monitors up to 12kg (dependent upon configuration).
- Alternative configurations and pole heights available on request.

### Specifications
