- Medical grade solution.
- Monitors up to 8.16Kg
- Billet Aluminium construction.
- Can be cleaned with "Hospital Grade" solutions (10,000 parts bleach per 1,000,000).

The ErgoMounts Ultra 500 Medical Grade Monitor Pole Mount provides a simple monitor arm solution suitable for use in healthcare, dental, veterinary, commercial and industrial environments. The Ultra 500 Monitor Pole Mount has been designed to mount onto a pole 2", 1.75" or 1.5" in diameter and can swivel 360° at the base. The arms provide an additional 360° of swivel to the pole and the screen can also be tilted by approximately 90°. Two handles next to the monitor can be tightened to lock the screen into position once tilt adjustments have been made. This model is capable of supporting monitors up to 8.2Kg in weight. All cables are neatly routed through the arms and joins of the mount to give it a clean and tidy appearance.

The Ultra 500 is manufactured out of Billet Aluminium before being powder coated to provide a hard wearing and long lasted finish. Designed with medical environments in mind this arm can be regularly cleaned with hospital grade solutions, 10,000 parts bleach per 1,000,000.

Manufactured to order...

All of our Medical Grade Mounting Solutions are manufactured to order by our partners in the United States. These are then air freighted to us before being hand inspected and assembled by our talented team of technicians at our headquarters in Hampshire, United Kingdom. This allows us to offer 1000's of combinations on our products as well as bespoke design but at a much shorter lead time than our competitors who often rely on Far East manufacturing.

Installation & Maintenance

The ErgoMounts Planned Preventative Maintenance Programme (PPM) covers bi-annual visits from one of our highly trained technicians. They ensure all of our arms are working as intended and replace or repair any worn parts. This often extends the working life of the mounts by several years resulting in significant savings. Contact us to find out more about our installation and maintenance plans.

Interested In Selling Our Products?

We're always looking for new businesses to take on and sell our exciting portfolio of products. Our resellers receive a range of exclusive benefits including combined marketing, trade accounts and access to our team of experts.
