Manufacturing

Commercial

- Medical grade solution.
- Monitors up to 8.2Kg
- Billet Aluminium construction.
- Can be cleaned with “Hospital Grade” solutions (10,000 parts bleach per 1,000,000).

The ErgoMounts Ultra 500i Monitor Arm Pole Mount is a high end medical grade mounting solution designed to be used in healthcare, commercial, industrial and even office environments.

Because the Ultra 500i is mounted in an inverted position it is ideal for when space is limited or you need to clear obstructions at the base of the pole. The screen can be swivelled 360° around the pole and can also tilt up to 90°. The monitor is kept close to the mount whilst still providing a wide range of adjustment, once positioned two handles behind the monitor lock the mount into the desired position.

The Ultra 500i is manufactured out of Billet Aluminium before being powder coated to provide a hard wearing and long lasting finish. Designed with medical environments in mind this arm can be regularly cleaned with hospital grade solutions, 10,000 parts bleach per 1,000,000.

Manufactured to order...

All of our Medical Grade Mounting Solutions are manufactured to order by our partners in the United States. These are then air freighted to us before being hand inspected and assembled by our talented team of technicians at our headquarters in Hampshire, United Kingdom. This allows us to offer 1000's of combinations on our products as well as bespoke design but at a much shorter lead time than our competitors who often rely on Far East manufacturing.

Installation & Maintenance

The ErgoMounts Planned Preventative Maintenance Programme (PPM) covers bi-annual visits from one of our highly trained technicians. They ensure all of our arms are working as intended and replace or repair any worn parts. This often extends the working life of the mounts by several years resulting in significant savings. Contact us to find out more about our installation and maintenance plans.

Interested In Selling Our Products?

We're always looking for new businesses to take on and sell our exciting portfolio of products. Our resellers receive a range of exclusive benefits including combined marketing, trade accounts and access to our team of experts.
