The ErgoMounts Paralink Compact Monitor & Keyboard Medical Desk Mount is a robust and well-engineered monitor mount suitable for use in medical and clean room environments. This desk mount features parallel depth adjustment with independent tilt (50°) and 5” of vertical adjustment for the monitor. It also provides 180° of arm swivel and a further 90° of screen swivel.

This mount will be compatible with all screens with a VESA 75mm x 75mm or VESA 100mm x 100mm interface and that weigh 12.7Kg or less.

This product can be wiped clean with hospital grade solutions (10,000 parts bleach per 1,000,000) making them also ideal for areas where they are going to be exposed to large amounts of dirt and dust such as workshops or production lines.

Manufactured to order...

All of our Medical Grade Mounting Solutions are manufactured to order by our partners in the United States. These are then air freighted to us before being hand inspected and assembled by our talented team of technicians at our headquarters in Hampshire, United Kingdom. This allows us to offer 100's of combinations on our products as well as bespoke design but at a much shorter lead time to our competitors who often rely on Far East manufacturing.
