- Medical grade solution.
- Supports monitors up to 8.16KG.
- Adjustable Monitor & Keyboard Support
- 2 CPU Holder Options Available (50mm - 116mm) or (101mm - 205mm)

The ErgoMounts CP110 ComputerPost series is a complete computer workstation designed around an ultra-low profile floor plate. The CP110 series is ideal for use in areas where space is at a premium. Standard configurations can be complimented with the addition of CPU holders and peripheral shelves allowing the ComputerPost to be tailored to your exact requirement. The CP110 ComputerPost series is available in a Black or Chrome finish.

This workstation will be compatible with 99.9% of screens providing that they have a VESA 75mm x 75mm or VESA 100mm x 100mm interface plate and weigh under 8.16Kgs.

Manufactured to order...

All of our Medical Grade Mounting Solutions are manufactured to order by our partners in the United States. These are then air freighted to us before being hand inspected and assembled by our talented team of technicians at our headquarters in Hampshire, United Kingdom. This allows us to offer 100's of combinations on our products as well as bespoke design but at a much shorter lead time to our competitors who often rely on Far East manufacturing.
