- Medical grade solution.
- Supports Monitor & Keyboards up to 10Kg.
- Highly adjustable.
- Billet Aluminium construction.
- Can be cleaned with “Hospital Grade” solutions (*10,000 parts bleach per 1,000,000*).

The ErgoMounts Elite 5216 sit – stand medical workstations is prized in the healthcare industry for its extensive reach (up to 1651mm) and compact stowing capabilities (just 280mm from the pole). When not in use the entire workstation can be swung out of the way to allow space for doctors, patients or visitors to easily access the surrounding areas. This elite arm is fully cable managed and provides unrivalled screen and workstation adjustment.

This arm is built out of high quality billet aluminium before being powder coated for a lasting and smooth finish. This arm has also been designed with regularly cleaning in mind, including hospital grade bleach solutions.

Manufactured to order...

All of our Medical Grade Mounting Solutions are manufactured to order by our partners in the United States. These are then air freighted to us before being hand inspected and assembled by our talented team of technicians at our headquarters in Hampshire, United Kingdom. This allows us to offer 100's of combinations on our products as well as bespoke design but at a much shorter lead time to our competitors who often rely on Far East manufacturing.
