

VisionPro F1500CW Series Computer Workstation

The VisionPro F1500CW series is a free standing computer workstation that supports an LCD monitor, keyboard, and optional CPU holder. High quality construction and ergonomic adjustment make the VisionPro F1500CW an ideal solution for environments as diverse as hotel receptions, boards rooms, libraries, internet terminals and exhibitions.

Two pole height options are available, 1020mm (EMVPF1500CW-1B) suitable for a seated workstation and 1500mm (EMVPF1500CW-15B) suitable for standing. The heavy duty 720mm x 495mm free standing base can also be bolted to the floor for extra support.

- High quality, stylish free standing computer workstation for LCD monitor, keyboard, and optional CPU.
- Ideal solution for use in hotel receptions, board rooms, libraries, internet terminals and exhibitions.
- Supports monitors up to 23kg (17" - 32").
